A short discourse by Grandmaster Datong:

One should pay special attention to the story of “The True and False Monkey King” in Chapters 56, 57 and 58 of the “Journey to the West”. Why did the Six-Eared Macaque appear? This question is vitally important for a true spiritual practitioner.

“Journey to the West” is an encyclopedia of spiritual cultivation and practices. It is best for practitioners to read it through and fully comprehend it. Even for the illiterates, watching the TV series “Journey to the West” is beneficial. Having truly digested and comprehended the essence of the “Journey to the West”, a spiritual practitioner is hereof regarded as successful. (The End)
